Hi Leticia,  
This is the final version for our FOIA. The enclosures have been removed, so it's a denial with nothing else.  
Thanks,  
Kathy

Kathy -

After talking to Carrie, I think it best to just take out paragraph two and four since they didn't specifically ask. I think he just wanted the oversight doc. If he comes back and asks for more, we can give it to him then. I tried to revise the letter, but I'm not familiar enough with Word 2007. So, please redraft and send to Leticia for finalizing (copy Margaret too).

By the way, I see that the FOIA was received in the Region on Sept 28, although we didn't get it until Oct. 20.
